- In each room we provide **information sheets**
- In all **public areas** guests and staff is obligated to wear the mask and keep distance.
- The **entrance door** opens automatically and won't be touched by guests
- In the entrance area and dining room we provide **hand disinfection dispensers**, which should be used when entering,
- The reception is equipped with a **glass** in order to protect staff and guests
- When there is no glass, our staff will wear a mask
- On the **ground** the distances are marked with tape
- The use of elevator should be used by max. two different households
- **Surfaces** will be cleaned and disinfected regularly

In the rooms

- The rooms will be occupied by actual assignment of the German Government
- Should the regulations be eased, we will adapt the occupation to the latest version.
- Guests sleep in a **distance of 1,5m** to each other.
- Guest are advised to **ventilate** the rooms on a regular base and to keep the windows open when in the room. (The window needs to be closed when exiting the room)
- Intermediate cleaning is only available after clearance with the reception

Breakfast area / dining room

- In our **dining room** distance rules apply and are marked correspondingly.
- **Food and drinks** can only be consumed at the tables.
- Breakfast is offered as a buffet under strict conditions

In case of infection

- If a guest shows symptoms, or be informed the he/she was in contact with a positive tested person, our emergency-concept takes effect with the following **code of conduct**:
 1. The guest **obligated to...**
 - ... call and inform reception immediately
 - ... stay in the room and not to leave it under any circumstances
 - ... use the mouth/nose protection full time
 - ... inform other guests in the room immediately
 - ... keep the window open at all times
 - ... not act single-handedly and stay in the room until reception informs him/her what to do
 2. All guests in the affected room are **obligated to...**
 - ... if they are in the room, stay there by the window, keep the window open and wear the nose mouth protection
 - ... if in house to avoid any contact and head to our meeting room on the ground floor
 - ... if outside of the house call a doctor and follow their advice
 3. Our staff...
 - ... will inform the corresponding health office
 - ... will inform the affected guests about the procedures
 - ... if necessary, evacuate the surrounding rooms
 - ... check who the affected person was in contact with and isolate those rooms as well
 - ... further measures will be decided by the corresponding health office

Additional information
